**Mission Statement:** The mission of Multi-Purpose Community Action Agency, Inc. is **To improve the quality of the lives of senior citizens and low income families by providing access to vital resources and services through community supports and collaboration.**

**Who We Are:** Multi-Purpose Community Action Agency (MPCAA) is one of 23 community action programs in the state of Kentucky. The agency serves the counties of Bullitt, Shelby and Spencer. Our agency also serves families in Jefferson with weatherization services.

MPCAA is part of a national movement created in 1964 with the passing of the Economic Opportunity Act. Community Action Agencies work on behalf of individuals and families to help them improve their daily living situations and to stabilize the family unit.

Community Action is about real people; the individuals who volunteer time and money; the individuals and families who find a road out of poverty into self-sufficiency; and the agencies themselves whose dedicated staff encourage and inspire.

Multi-Purpose Community Action Agency provides a variety of services to clients over 60 years of age, to low-income clients and to at-risk families. MPCAA is incorporated as a private nonprofit 501(c)(3) agency and is governed by a volunteer board of directors.

The agency has been providing services for more than 40 years and continuously strives to identify needs of the community and to develop services to meet those needs. Through our various program services we promote self-sufficiency and independent living, helping our clients to achieve their own success by focusing on the positive aspects of their lives.

### **PROMISE OF COMMUNITY ACTION:**

Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to "Helping People Help Themselves" and each other.
